

Almighty God of creation

Verse 1

Almighty God of creation,
Father, Son, Holy Ghost
Whose face no human eye can see
The Invisible God.

Verse 2

Thou Father our Almighty God
We tremble before Thee
All nations here shall worship Thee
Before Thine altar, Lord.

Verse 3

Lord Jesus our own dear close friend
Redemption Thou has brought
Forsake us not, Saviour Divine
But save us to the end.

Verse 4

Oh Holy Ghost, Spirit Divine
Full of Heav's Grace, Thou art
Bestow Thy wisdom from above
To know that God is love

Verse 5

The Three in One, yet One in Three,
The Trinity Divine
The mystery unsearchable
The Trinity Divine.
