

Our hearts are full of joy today

Verse 1

Our hearts are full of joy today
We have found the golden way
It's light is shining on our way
We have found the golden way

It's long our hearts have craved for it
In all the changing scenes of life
We have almost entirely failed
In finding the golden way.

Chorus

Then sing, ah, sing a song of joy
Sing from a joyful heart and shout
The light has come and we are home
We have found the golden way.

Verse 2

We were called from this sinful world
We have found the golden way
Our friends and neighbours are still there
We have found the golden way

We have answered the call divine
May we ne'er miss that heav'nly place
With Jesus, we are going home
We have found the golden way.

Chorus

Then sing, ah, sing a song of joy
Sing from a joyful heart and shout
The light has come and we are home
We have found the golden way.

Verse 3

Our light afflictions are all past
We have found the golden way
The joy of home makes us forget
We have found the golden way

The storm and mist will soon be past
Our storm tossed hearts will take their rest
We set sails, our boat comes to shore
We have found the golden way.

Chorus

Then sing, ah, sing a song of joy
Sing from a joyful heart and shout
The light has come and we are home
We have found the golden way.

Verse 4

With hearts of gratitude to God
We have found the golden way
Sometime, before, we have lost it
We have found the golden way

We will soon be with the Saviour
Jesus will gladly receive us
But only by His grace alone
We have found the golden way.

Chorus

Then sing, ah, sing a song of joy
Sing from a joyful heart and shout
The light has come and we are home
We have found the golden way.

Verse 5

We give thanks to our God on high

That we found the golden way
Give glory, praise, thanks and honour
To Father and to the Son

And also to the Holy Ghost
To the eternal Trinity
We shall praise Him world without end
That we found the golden way.

Chorus
Thanks be to Thee Thou Elshadai
Praise be to Jehovah Rovai
Hallelujah sing songs of praise
To the Blessed Three in One.
